

# WHO WE ARE.

Wisconsin Startup Coalition (WSC) was founded as the **first advocacy voice** dedicated exclusively to representing Wisconsin startup founders and those who support them. **We work** with policymakers to address laws that may present potential barriers to Wisconsin's innovation ecosystem. **We advocate** for bipartisan support to reduce governmental red tape and increase innovation in our state. **We cultivate** meaningful change by facilitating a trusted environment in which Wisconsin startups flourish. **WSC's vision is for Wisconsin to be ranked as a top state for startups and innovation.**

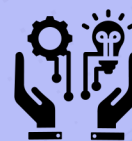

## Our Focus

Encourage Early Stage Investment & Customers

Reduce Regulatory Burdens

Strengthen Wisconsin's Startup Ecosystem

## Our Actions

- **Engage** with Policy-Makers and other Stakeholders
- **Learn and Connect** at Education & Networking Events
- **Stay Informed** with Advocacy Alerts
- **Navigate** Regulations and the Legislative Process

## Our Work

- Update the Qualified New Business Venture Program
- Promote additional State Investment
- Support Badger Fund of Funds Ecosystem
- Produce Rural Innovation Report
